Naimish Patel is a member of the CASA Board and Swope Health Services' Vice President of Finance. Patel's accounting and business background are invaluable to Jackson County CASA's operations.

Reason for being involved with CASA:

Naimish understands that CASA serves a very unique need of children in the community. Throughout Naimish's professional life, he has been engaged with the community organizations including Swope Health Services which provides health and behavioral health care needs of the community with focused efforts for children. Naimish also coaches children in various settings and feels by joining CASA another dimension to add value for the children is created.

Relevant CASA Experience:

- Chair, Finance Committee
