### Observations:

Were children properly dressed? What were they doing when you arrived?

Was the environment safe? Clean? Did you see the child's room?

Was the provider attentive? Was the provider able to tell you about the child's activities?

How did the child interact with his/her surroundings? Was the child comfortable in the home?

### Questions for Kids/Provider:

How is school, daycare? If child does not attend either, inquire about daily routine/activities.

If applicable, has the child been attending therapy, mentoring activities, sports, etc.?

How was child's mood/behavior after last parent/child visit?

Always ask the child, if age appropriate, if they are in need of anything, or if there is something they would like for us to relay to the Court.
